Project Name: Dairy

Goals to achieve in project (what I want to do or learn in this project):

1) to do a project demonstration at the February contest. 2) to train a calf for showing at our county fair.

Outcome of project (what I learned or achieved):

My demonstration was about cleaning a leather halter. I practiced on halters that my friends had.

This year, I ~~know~~ knew more about how to train my calf to lead. Bringing her to the round pen for grain and spending time with her in the round pen helped a lot.
