

## Year In Review

(Tell me about your 4-H Activities this year using one of the following formats: story, date-line, photographs, diary or journal.)

This is my first year in 4-H, and since joining I have participated in a lot of fun events, met many wonderful people, made new friends, and entered various projects into the County Fair.

So far I am really enjoying what 4-H has to offer. Through 4-H I have been able to share my hobbies and interests with many others.

I have been able sing in the annual music festival, participate in the drama festival, enter my exhibits into the Crawford County Fair, and attend several other small events and meetings.

This year I worked mostly with art and photography.

I was excited to enter my collections into the fair and the result of my work was no less than equitable.

I was pleased to receive a plentiful amount of ribbons and have one of my art pieces selected for state fair.

4-H is a great way to get to know people and share your talents with others.

Within my first year in 4-H I have had wonderful experiences I will never forget, and I will look forward to what 4-H has yet to offer.
