

Got Dirt?

# Ready Set Grow!

*Make gardening with children happen!*

Gardening has it all! Science, math, health, language, social skills, physical activity, sensory experiences and more!

*Cindy Arndt, Master Gardener and Family Day Care Provider will share container gardening ideas and curriculum aligned with the Wisconsin Model Early Learning Standards.*

**Pre-register by Friday, May 1st to receive a free bucket garden!**  
**Call Jane at the UW-Extension, 326-0223.**

Registry certificates will be provided.

Please tell us when registering if you need special accommodations.

**Date: Thursday May 7, 2015**

**Time: 7-8:30 p.m.**

**Location: Administration Building  
225 N Beaumont Road, PdC**

**Please use the front door by the flagpole.**

**Bonus!**

**The Healthy Roots coalition is offering Crawford County providers who attend this workshop a *free* raised bed garden box complete with soil and plants!**

*Healthy Roots of Crawford County promotes healthy living across the lifespan.*
