

Extension
UNIVERSITY OF WISCONSIN-MADISON

Small Ruminant Webinars

Join the University of Wisconsin-Madison Extension's Livestock Program monthly on the second Tuesday of the month from 7:30 to 8:30 pm CST for the Small Ruminant Webinar (SRW) series. There is no charge to participate in the sessions, but pre-registration is required to allow access to the session. Register online at <http://go.wisc.edu/FarmReadyResearch>. We hope to see you at our programs!

May 10: All about Arlington

Join Todd Taylor, the University of Wisconsin - Madison Sheep Research Program Manager at the Arlington Agricultural Research Station Sheep Unit, and Extension Educators for an in-depth look into sheep research, teaching, and extension activities and events at the Arlington Agricultural Research Station.

Farm Ready Research

There is no charge to participate in the sessions, but pre-registration is required to allow access to the session. Register online at go.wisc.edu/FarmReadyResearch.

The Small Ruminant Webinar series is a part of UW-Madison Extension's [Farm Ready Research](http://go.wisc.edu/FarmReadyResearch) winter programming for farmers and ag professionals to improve business profitability and lifestyles through informed decision-making.

Learn the most up-to-date information on topics from dairy and livestock production to forage and farm management. Farm Ready Research webinars begin in December 2021 and continue until May 2022.

The University of Wisconsin-Madison Extension provides research-based information to help citizens of Wisconsin make informed decisions based on science. UW-Madison Extension extends the boundaries of the university to the boundaries of the state, helping the people of Wisconsin and beyond access university resources and engage in learning, wherever they live or work.
