

SMALL BUSINESS WORKSHOP SERIES

For Small & Growing businesses

 **LOCATION:**
GAYS MILLS, WI

Curious about rotational grazing and its benefits for land, animals, and farm income?

Join us for an inspiring talk with Crawford County Custom Grazer and WI Farmers Union member Joseph Childs. Raised on a Ferryville dairy farm, Joseph has worked with nearly every kind of livestock. Discover how he found the perfect fit for rotational grazing in the Driftless region, turned his passion into a thriving custom grazing business in 2020, and returned to his farming roots. **Bring your grazing and small farm business questions!**
